

## Temporary (Non-Certified) Member CSMLS Examination Process Chart

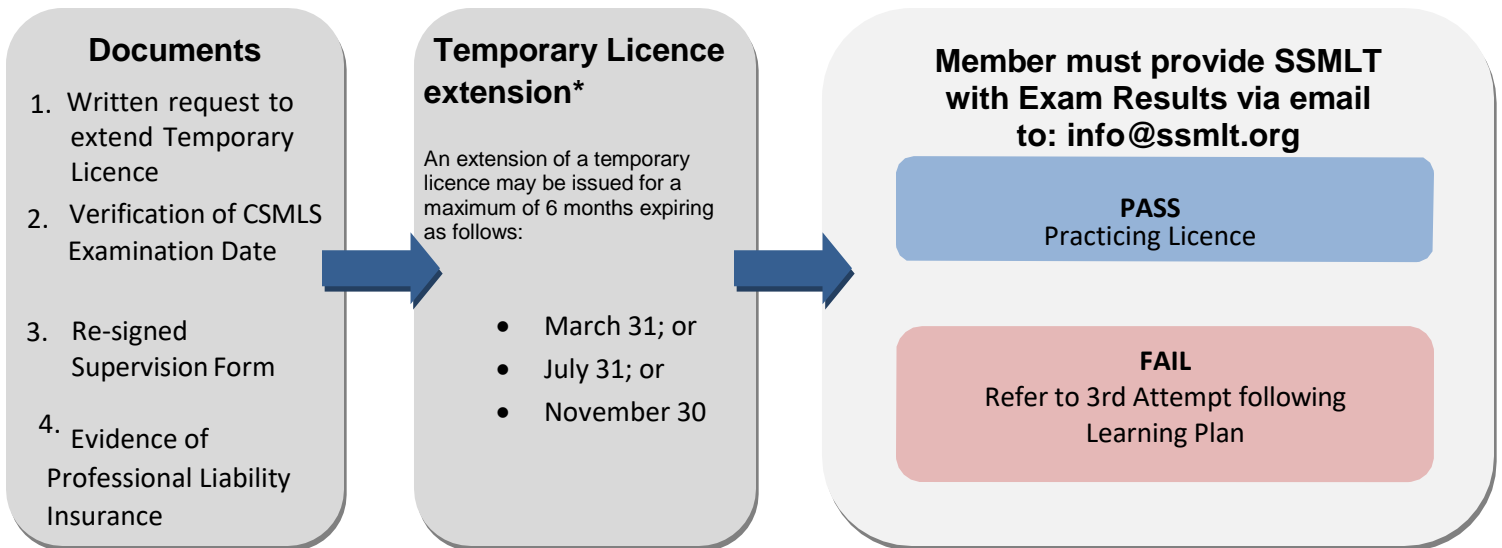

A Temporary Licence may be issued for a maximum of 18 months including all extensions

### 1st Attempt

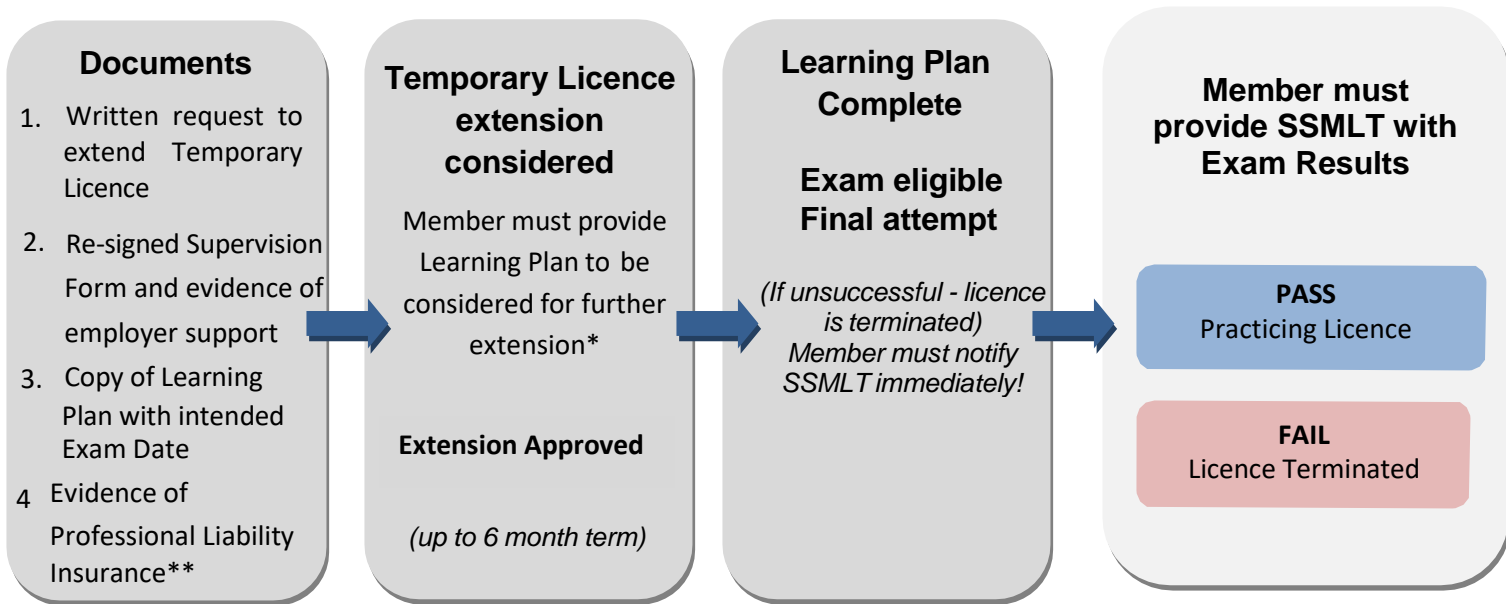

### 2nd Attempt

**Current Temporary Members-** requesting licence extension must submit the following for extension consideration. The applicant will be notified of decision.

### 3rd Attempt

Current Temporary Members- requesting licence extension must submit the following for extension consideration. The applicant will be notified of decision.

### Extension request requirements

\* An extension is not automatically granted and may be terminated at any time if the member does not demonstrate progress.

Extension requests may be considered for current SSMLT members only, provided the necessary documentation is provided. Members requesting an extension request must submit evidence of Professional Liability Insurance\*\* in the amount of \$2,000,000 or in the amount required by the supervising employer, whichever is greater. SSMLT reserves the ability to request any additional documentation required for decision. Following submission of all documents, the request for extension will be reviewed and a decision will be made.
